

Welcome to Auditions!

Things we want you to know:

- We know auditions can be stressful, but try to relax and have FUN.
- Your audition is a celebration of *you* and *your* talent.
- Casting a show is extremely difficult. We have a problem and we need *you* to help us solve it.
- We are rooting for you to succeed! Please show us what you've got.
- Think of it this way – we're not judging you as a person or hoping you'll fail. We're celebrating you and hoping to see your talented best self!

Thank you for sharing your talents with us today!
